

POWERTRAIN RELIFE PLUS

MACHINE REBUILD PROGRAM

JOHN DEERE

REBUILT **+** AND **+** RUNNING NOW THAT'S A PLUS

John Deere Powertrain ReLife Plus MACHINE REBUILD PROGRAM

Extend the life of your machine with John Deere Powertrain ReLife Plus. Design a comprehensive and flexible machine-rebuild solution that protects your bottom line — and keeps you moving forward.

The John Deere Powertrain ReLife Plus program extends the life of your machine with:

- A thorough machine inspection by a certified technician.
- A complete set of John Deere Reman powertrain components.
- A John Deere Powertrain ReLife Plus warranty.

Plus, your John Deere dealer will help you understand the inspection results so you can tailor the program precisely to your needs and optimize your total owning and operating costs.

- + QUALITY PRODUCTS**
- + SUPERIOR SUPPORT**
- + THE POWER OF CHOICE**

CUSTOMIZED REBUILD SOLUTIONS, TAILOR-MADE TO YOUR BUSINESS

No two operations are the same, and you need options to minimize your costs while maximizing your productivity.

The John Deere Powertrain ReLife Plus program provides you with one more option to extend the life of your equipment without compromising the performance and reliability you have come to expect from it.

Starting with a fresh set of remanufactured major powertrain components, the Powertrain ReLife Plus program allows you to build on that strong foundation to create a customized repair plan unique to that particular machine. Certified technicians conduct a thorough inspection of your machine to help you identify where investments are needed to give it new life while still giving you the flexibility to consider work to the less critical areas of the machine.

HERE'S HOW IT WORKS:

JOHN DEERE POWERTRAIN RELIFE PLUS MACHINE REBUILD PROGRAM

Give your machine new life — and keep it running — with these six simple steps:

STEP

1

START

by replacing required major powertrain components*

STEP

2

640L-II-948L-II

- Engine
- Transmission
- Torque Converter (if equipped)
- Axles
- Main Hydraulic Pump (optional)

SCRAPER TRACTORS

MODELS:

9520, 9620, 9530, 9630, 9460R-9620R

- Engine
- Transmission
- Axles
- Main Hydraulic Pump (optional)

PROTECT YOUR BOTTOM LINE

WARRANTY

We stand behind our products, which is why we provide a standard one-year warranty on all John Deere Reman components when installed by your authorized John Deere dealer.

We understand that doing business involves risk, so we're letting you choose how to protect your investments. With the Powertrain ReLife Plus program, you can extend the warranty coverage on major powertrain components replaced under the program to three years/5,000 hours or two years/6,000 hours (three years/3,000 hours for all Scraper Tractors).

FINANCING

Our commitment to quality products and customer support doesn't stop at your machine. Our financing options provide solutions for managing your costs and increasing your profitability.

John Deere Financial provides no-payment and no-interest options followed by low-interest-rate terms, allowing you to get your machine back on the job and generating income before you make a payment. Contact your local dealer for more information on available financing options.
